You say 'in Munich' next month'

— / You not in Munich next month.

Stuttgart, yes — maybe you near that.

Dear Mirosław

I got your letter & cassette.

Sorry no contact whatsoever with TV stations.

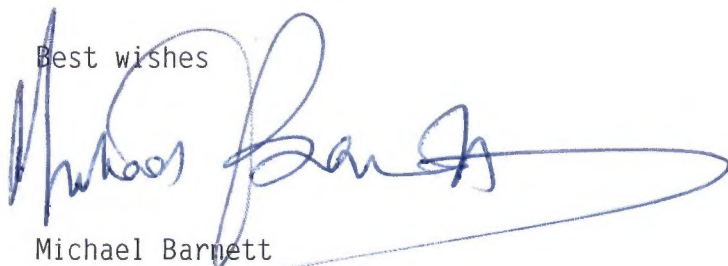

On the contrary!

They are not very open in France to anything a bit out of the ordinary, so you'll have a problem anyway, I'd say.

We are already having many.

I advise you to keep wide of France.

Best wishes

Michael Barnett
